C. RAMACHANDRA RAO,
Sub-Division Officer.

MYSORE STATE DEPARTMENT OF HEALTH.

TRAINING OF SANITARY INSPECTORS.

(*Sessions* 1936-37 *commencing January* 1937.)

Applications.

I. Applications from candidates are invited for admission to the Sanitary Inspectors' Class, to be held under the Department of Health :

(1) Candidates should have passed the S. S. L. C. Examination and been declared eligible for entering the University courses of study or have passed other equivalent examinations;

(2) There will be ordinarily no exemption from the prescribed general qualifications, but the Director of Health may for special reasons give exemption in deserving cases to candidates actually engaged in Public Health duties in the Health Department or under District Boards and Municipal Councils; and

(3) A maximum of 20 candidates will be taken for training.

II. Applications from candidates eligible under Rule I should be sent to the Director of Health not later than the 15th November 1936.

Applications should be accompanied by the following documents :—

(*a*) a statement of marks obtained at the public examination for the Secondary School Leaving Certificate attested by the Head Master of the School or by a Gazetted Officer of Government.

(*b*) a certified copy of conduct certificate;

(*c*) a certificate of re-vaccination;

(*d*) the order of Superior Officer (if the applicant is in the Public Service) granting permission to join the class;

(*e*) exemption certificate in the case of candidates exempted under Rule I;

(*f*) a physical fitness certificate from a Registered Medical Practitioner not below the rank of an Assistant Surgeon;

(*g*) a certificate that the candidate is a Mysorean by birth or domicile.

Note.—The physical fitness certificate should contain information on the following points

(1) Height, (2) Weight, (3) Chest measurement (on full inspiration and on full expiration) and (4) Whether the candidate is fit for executive work.

III. The school fee prescribed for the training is Rs. 100. The selected candidates should pay the full fees in advance into the Government Treasury to the credit of XVIII Public Health, 3. Other Receipts, Sanitary Inspectors' Class Fees, and send the receipt to the Director of Health before the 15th November 1936.

IV. Applications will be rejected if:

(a) they are not accompanied by any of the documents mentioned in Rule II;
(b) they are not received before the 15th November 1936.
(c) the applicants do not possess the qualifications prescribed in Rule I.

Rejected applications with the documents received therewith will be returned to the applicants on their sending a stamped and addressed envelope to cover registered postage along with their application.

V. A selected candidate who fails to join the classes within 3 days after the commencement of the session will be refused admission and no claims for the refund of fees will be entertained.

Sanitary Inspectors' Class.

VI. Course of training and examination—The course of instruction which qualifies for the candidate of Sanitary Inspector is conducted in the Public Health Institute and the Vaccine Institute from 2nd January 1937 for a period of 9 calendar months.

The course consists of:

(a) theoretical and practical training in general Hygiene including Elementary Anatomy, Physiology and Bacteriology;
(b) training in Practical Sanitation, Sanitary Law and Food Inspection;
(c) training in Elementary Sanitary Engineering;
(d) theoretical and practical training in the Control of Epidemic Diseases, Malaria, Helminthology and Entomology;
(e) training in Vaccination, Inoculation;
(f) Vital Statistics.

VII. Candidates who have satisfactorily completed the course of instruction shall be required to undergo an examination in the subjects of the course conducted by a Board of Examiners. The examination shall consist of two written papers of three hours each in Hygiene, one written paper in Physiology, Anatomy and Bacteriology and one in Communicable Diseases, one in Elementary Sanitary Engineering, one in Vaccination, and of oral and practical examinations in the above subjects.

The distribution of marks and maximum required for passing shall be as follows:—

No.	Subject	Maximum	Minimum
